WHAT TO BRING

- A sense of excitement and expectancy. This is going to be a great weekend!
- Your Bible and a pen.
- Something to wear for Sunday morning. You will be given a 180 Weekend shirt to wear for Sunday.
- Clothes for the whole weekend.
- Basic toiletries - towel, toothbrush, toothpaste, soap, brush, deodorant, etc. Please do not forget a towel – Host Families are not responsible for providing towels!
- Sleeping bag or bed roll and a pillow (you will use them). You will most likely be sleeping on the floor.
- Soft Drink & Snacks - soft drinks, chips, dips, cookies, brownies, etc.

CODE OF CONDUCT

Please read over the following Code of Conduct and make sure that both the parent and student understand each item. By signing the registration form, you are agreeing that the student understands and will abide by the Code of Conduct.

- 180 Weekend is a chance to get together with a group of students your age and a leader (or two) in the home of a family to talk about stuff that's really important. It's not a free-for-all, wild and crazy, do as you please, stay-up-all-night, sleep-all-day party. You will have fun...but that's not the highest priority of the weekend.
- Remember that you are a guest in your Host Home & follow the house rules. Be careful. Be respectful. Don't make a mess. Don't break anything. Don't take anything. Thank them for inviting you to live there for the weekend and really mean it. Why don't you write them a nice note before you leave!
- Dress casual, but appropriate in the homes. One of the Host Family members will be of the opposite sex than you and it is their house, so please change clothes behind closed doors.
- Keep your clothes, pillow, sleeping bag, towel and toiletries picked up and out of the way. This will help you keep up with your stuff and respect other people's "space."
- Do not bring alcohol, drugs, tobacco, e-cigs, airsoft/paint ball guns, weapons or other stuff that you should not bring with you. You know what needs to be left at home. These items will result in immediate dismissal from the weekend.
- Turn your cell phone OFF and put away during all Worship Gatherings and Small Group Sessions. All cell phones will be turned in to the Host Home family when it is bed time. We want you to be able to post to social media about your weekend, but we also want you to be present in the weekend and not buried in your phone.
- Don't leave your Host Home except as approved by a signed TIME AWAY FORM.
- Do not interfere with another 180 group/home during the weekend! There will be no toilet paper attacks or prank pulling on other 180 Weekend Homes.
- Don't embarrass yourself or others by engaging in a public display of affection with a boyfriend or girlfriend. Trust us... no one wants to see that.
- Our goal is for everyone to get the most possible out of 180, and you can help. Please don't act like the universe revolves around you and what you want! Leave the bad attitude at home. It will be a great weekend if you let it.
- Students are not allowed to drive their car anytime during the weekend. If you drive to the church on Friday night, you will need to leave it in the church parking lot all weekend.
- There will be NO discipline problems. Just be flexible and cooperate. But, if there are any discipline problems, they will be handled by asking your parents to come and get you, ending your participation in the weekend. Please don't ruin it for yourself or anyone else!
